

OUR STUDENTS:

Students are encouraged to participate in the educational process. A successful student takes ownership of his/her learning and sets high educational goals.

- Set goals for myself to maintain good behavior at school, so that I can reach my academic goals as well.
- Let my teacher and family know if I need help with my academic work.
- Be an active partner when creating my academic goals.

OUR PARENTS:

Parents are expected to participate in the education of their children. Without the cooperation and partnership between parents and school staff, we cannot actively help a student reach his or her full potential. **The major role of parents is to continually show the child that they are interested and supportive of how their child is doing in school.**

- I will reinforce positive behaviors at home, so that my child will know that the expectations for behavior is the same at home and school.
- Communicate with my child's teacher regarding any questions or concerns about my child's individual goals for learning.
- Attend Family Engagement Workshops to learn new ways to support my child in all areas of academics.

OUR TEACHERS:

Teachers are expected to work with students and their families to support students' success in reading, writing and math. **Some of our key connections will families will be:**

- Create clear positive behavior expectations for students, so that they can achieve their academic goals.
- Provide educational experiences in a safe and nurturing environment conducive to learning.
- Provide an academically challenging environment for each student.
- Establish open lines of communication with parents concerning their child's school performance.

What is a School-Parent Compact?

A School-Parent Compact for Achievement is an agreement that parents, students, and teachers develop together. It explains how parents and teachers will work together to make sure all of our students reach grade-level standards.

How is the School-Parent Compact Developed?

The parents, students, and staff at Hannan Magnet Academy developed this School-Parent Compact for Achievement. Meetings are held each year to review and revise the compact based on the school's academic achievement goals and student needs. For all students who reside in residential facilities served by the Muscogee County School District, parental involvement correspondence and activities will be mailed to each facility where students reside.

Parents are welcome to contribute comments at any time

Effective School – Parent Compact

- Link the goals of the School Improvement Plan
- Focus on student learning
- Describe how teachers will help students develop those skills using high-quality instruction
- Explain how teachers and parents will communicate about student progress
- Describe opportunities for parents to volunteer and participate in the classroom

Hannan Magnet Academy

School-Parent Compact 2019-2020
Revised 8-7-19

Our Goals for Student Achievement

District Goal

The Muscogee County School District will implement evidence-based Tier 1 instruction, a Multi-Tiered System of Support (MTSS), leadership development, and a culture of kindness.

Hannan's SMART Goals

#1 By May 2020, 100% of faculty/staff will be trained on the use of the PBIS Rewards App acknowledgement system and 75% of faculty and staff will meet the established weekly point goal for student acknowledgments as evidenced by "staff points report" in PBIS Rewards.

#2 By May 2020, 100% of teachers will have consistently implemented differentiated instruction in ELA and Math, driven by a data collection process that empowers students by regularly involving them in individual goal setting and data monitoring (or tracking).

Communication about Student Learning

Hannan Magnet Academy is committed to frequent two-way communication with families about children's learning. Some of the ways you will be involved are:

- Daily homework folders
- Weekly newsletters
- Classroom Teacher Websites
- Updates on the school's website
- Parent-teacher conferences
- Family Engagement Workshops
- Parent Portal
