NEWS RELEASE

Hardaway High School to Participate in the First Annual Georgia Apply to College Week

(Columbus, GA)-Hardaway High School is one of eight high schools in the state selected to participate in the First Annual Georgia Apply to College Week, November 11-13, 2008.

Georgia Apply to College Week is sponsored by the Georgia Department of Education, the Georgia Foundation for Independent Colleges, the Georgia Student Finance Commission, the Technical College System of Georgia and the University System of Georgia. The purpose of the initiative is to provide assistance to high school seniors as they navigate the college application process using GAcollege411 (www.gacollege411.org).

GAcollege411 is the one stop place for students to plan, apply and pay for college. The Internet site serves as a valuable resource for application and financial aid information for the public and private colleges in Georgia. In addition, it provides a number of tools that students can utilize to do things such as track their progress through high school, take online test preparation courses, research high-demand careers, and develop an online portfolio and resume.

High School seniors who participate in this event will have the opportunity to complete and submit online applications to the Georgia colleges of their choice. Volunteers from local colleges and universities will assist students as they complete their online applications.
