

ESOL EDUCATIONAL RESOURCE FAIR

MCSD's English for Speakers of Other Languages (ESOL) Department is having the second EDUCATIONAL RESOURCE FAIR for parents of ESOL and immigrant students. Many community agencies such as Boys Scouts, Girls Inc., Boys and Girls Clubs, YMCA, American Red Cross, Columbus Public Libraries, The Columbus Museum and others will present ESOL parents and interested immigrant families with information about their programs. Parents and others interested are encouraged to attend. The Educational Resource Fair will be on May 14, from 5:30 to 7:00 pm at the Wynnton Elementary School Gym, located at 2303 Wynnton Road.

CSU's CHISPA will provide volunteer interpreters to the participating agencies.

ESOL Lead Teacher Doris Brown says, "We are excited to have these agencies and service providers return as partners to this event. To help the students, we must involve families in the educational process. These organizations assist the local community by providing important resources. We would like for our ESOL and immigrant families to come to this event and find out about the programs available to them and their children."

For additional information, contact Doris Brown at 706-748-2120 (English) or 706-748-2135 (Spanish).
