NEWS RELEASE

Back to School Verification/Orientation

(Columbus, GA)-Summer break will end in about ten days and classrooms in the Muscogee County School District (MCS D) will be filled with engaged student learners of all ages. Verification day is Tuesday, August 4. The first day of school is Thursday, August 6. New teacher orientation is underway, schools and other facilities, equipment, and buses are being prepped to receive students and educators for the 2009-2010 school year.

Parents of new students to the district are encouraged to register their child early at the Columbus Roberts Center, located at 539 Brown Avenue. Returning students should report to their school of assignment for verification. If the physical address of a parent/legal guardian of any student has changed since May 30th, or if a parent/legal guardian plans to move prior to July 30, the parent should update the change of address with Student Services at the Columbus Roberts Center. If a child receives special transportation, the district must have the new address in order to provide transportation on the first day of school. The Columbus Roberts Center is open from 8:00 a.m. to 5:00 p.m., Monday-Friday.
