MCSD Earns Certificate of Excellence Award

(Columbus, GA) –The Financial Services Division of the Muscogee County School District (MCS D) earns the Certificate of Excellence (COE) in Financial Reporting for the 2009 year end Comprehensive Annual Financial Report (CAFR). It is the highest recognition for school district financial operations offered by the Association of School Business Officials (ASBO) International.

By preparing and presenting a CAFR, the Muscogee County School District validated the credibility of the school system's operations, measured the integrity and technical competence of the business staff, assisted in strengthening the presentations for bond issuance statements, and provided professional recognition.

"We take pride in managing our business and financial processes through fiscal responsibility and accountability to all of our stakeholders," said Chief Financial Officer Sharon Adams.
