NEWS RELEASE

ESOL Educational Resource Fair

(Columbus, GA) – The Muscogee County School District English for Speakers of Other Languages (ESOL) Department is having the 3rd Annual Educational Resource Fair for parents of ESOL and immigrant students. The Educational Resource Fair will be held on Saturday, March 20, from 10:00 a.m. to 1:00 p.m. in the Baker Middle School Cafeteria, located at 1215 Benning Drive.

Many community agencies such as Girls Inc., Safe Kids, Columbus Public Libraries, Columbus Parks and Recreation, Domestic Violence Round Table, International Friendship Ministries, MCSD Pre-K, YMCA, and others will present information about their programs to parents.

“We are excited to have these agencies and service providers return as partners to this event,” said ESOL Lead Teacher Doris Brown. “To help the students, we must involve families in the educational process. These organizations assist the local community by providing important resources.”

We encourage all families to come to this event and find out about the programs available to them and their children. Volunteer Spanish/English interpreters will be available.
