NEWS RELEASE

River Road Elementary Educator of the Year Award

(Columbus, GA) –River Road Elementary School earns the Educator of the Year Award from the Mayor’s Committee on People with Disabilities. The committee accepts nominations from the community for various awards throughout the year and honored River Road Elementary this year on May 20, 2010. Mr. Patrick Knopf, principal of River Road Elementary, accepted the award.

River Road Elementary is recognized for the collective efforts of staff and faculty to mainstream children with disabilities. The staff and administrators have created the ultimate learning environment for all students who attend River Road. Programs to enhance social skills and efforts to develop an outdoor sensory garden for children with autism and other sensory disorders are leading examples of an inclusive education, which benefit students and their parents—making our community a better place to live.
