## NEWS RELEASE

### Register Early and Beat the Rush

**(Columbus, GA)**-Don't wait to register your child for school! Last year, there was an average of 300 people per day waiting to register during the week prior to the first day of school. Beat the long lines and avoid the wait by reporting to your child's school of assignment or the Muscooee County School District Central Registration office.

You will need proof of address, like a current utility bill, and a lease or sales contract, along with your child's birth certificate, social security card, immunization certificate, withdrawal form, if applicable, and report card. If you are new to the district and have a child who requires special needs, or if you are a parent of a child and you live with someone, you must report to the Central registration office. The parent and owner both have to be present to sign a notarized Affidavit of Residency.

For more information, contact your child's assigned school or the Central Registration office (706) 748-2222. Media representatives should contact [communications@mcsdga.net](mailto:communications@mcsdga.net) .
