NEWS RELEASE

Compute the Future Writing Contest 2010 Winners

(Columbus, GA)-Congratulations to the 2010 Compute the Future Writing Contest winners! The Department of Instructional Technology hosted the awards Ceremony for the 2010 "Compute the Future" Writing Contest Wednesday, November 9 at the Columbus Public Library. Schools submitted student essays on Digital Citizenship, which were evaluated by an independent panel of judges.

1st Place Winners

Austin Lewis
Farita Tasnim
Elijah Daniel

Early College Academy
Blackmon Road
Downtown Elementary

Three first place winners received netbooks, which were donated by Lenovo. Each of the remaining finalists won a 4 gigabyte flash drive. All 15 finalists earned certificates and medals for their participation. For a complete listing of high school, middle school, and elementary winners, access www.mcsdga.net .
