NEWS RELEASE

Students Collect Money and Can Goods to Donate to Families

(Columbus, GA)-Each year Fox students collect change to help the Valley Rescue Mission provide food for families in need in the community. Students have collected over \$1,400 this year. On Tuesday, December 14, 2010, at 9:30 a.m., students will attend a field trip to Sam's Club, 5448 Whittlesey Boulevard in Columbus, to participate in the ultimate math project to buy groceries! Students will divide into small groups to spend the grocery money. Participants will use calculators, pens, and paper to total and spend the allotted amount. Students are encouraged to purchase healthy products to eat.

In addition, a food drive was sponsored by the Peer Helpers group. 900 cans of food were collected, which will also be donated.

For more information, call Penny Thornton, 706-748-2723.
