NEWS RELEASE

Title I Schools Earn Distinguished School Status

(Columbus, GA)-The State School Superintendent, Dr. John Barge, names 868 Georgia Title I Distinguished Schools. In the Muscogee County School District (MCSD), a total of 13 Title I schools are recognized.

A school must make Adequate Yearly Progress (AYP) for three consecutive years to earn the Distinguished School status. Each school is honored with a certificate. Schools that make AYP four or more years earn a monetary award, which is paid with federal funds.

“We are very proud of the distinguished schools,” said Title I Director Pamela McCoy. “We will continue to support all schools and students as they work to earn this prestigious status.”
