NEWS RELEASE

Important Notice for Pre-K Year Round Schools

(Columbus, GA)-Due to Governor Nathan Deal's changes to Georgia's Pre-K Program, the Muscogee County School District's Pre-K students will attend school for 163 days. Although students who attend year round schools in Muscogee County will begin July 11, the first day for Year-Round Pre-K students is August 2, 2011. Excluding the first day of school, all other dates on the year round calendar apply to Pre-K students. Only two schools in the Muscogee County School District operate on a Year-Round schedule, Georgetown Elementary and Rigdon Road Elementary.

Parents who submitted Pre-K applications have been notified by mail of the school assignment or placement on a waiting list. Parents who have questions about pre-k school assignments can contact the Pre-K office, (706) 748-2118.

Pre-K applications are still being accepted and the child's name can be added to a waiting list if space is not available. The child must be 4-years-old by September 1, 2011, to apply for the 2011-2012 school year.
