NEWS RELEASE

2010-2011 Distinguished Schools

(Columbus, GA)-824 Georgia Title I Distinguished Schools are recognized by the State Superintendent, Dr. John Barge. In Muscogee County, there are 9 Title I Distinguished schools and 14 Non-Title I Distinguished schools.

Title I Distinguished Schools make Adequate Yearly Progress (AYP) at least 3 years in a row. The Title I Distinguished Schools that make AYP for 3 consecutive years are awarded a certificate. Schools that have made AYP 8 or more years receive a monetary award from federal funds.

“Earning the Distinguished School status is a great accomplishment that involves a team effort,” said Director of Title I, Pamela McCoy. “All stakeholders and supporters should be very proud to know they are making a difference in student achievement.”

Title I schools are schools with a high population of students who are economically disadvantaged and receive federal money to assist with the education of their students.

For more information, access the distinguished school list at <http://gadoe.org/> , or contact communications@muscogee.k12.ga.us .
