### **MCSO Earns the ASBO Certificate of Excellence**

**(Columbus, GA)**-The Muscogee County School District receives the Association of School Business Officials International's (ASBO) Certificate of Excellence (COE) award for Financial Reporting. Districts who earn the award are recognized for meeting or exceeding the stringent standards of the CEO criteria.

The district and the staff are recognized for its high-quality Comprehensive Annual Financial Report (CAFR) for the fiscal year ending 2010. The CEO program can help strengthen a district's presentation for bond issuance statements and promotes a high level of financial reporting.

Founded, in 1910, the ASBO is a professional association of more than 5,000 members that provides programs and services to promote the highest standards of school business management practices, professional growth, and the effective use of educational resources.

The 2010 CAFR can be accessed at [www.muscogee.k12.ga.us](http://www.muscogee.k12.ga.us) under the About Us: Financial Information link. For more information on the CEO Award, visit ASBO's website: [www.asbointl.org/COE](http://www.asbointl.org/COE) .
