MCSD High School Classification Status

(Columbus, GA)-The Georgia High School Association (GHSA) Reclassification Committee assigns school classifications for the 2012-2014 school years. Member schools of the GHSA have the opportunity to choose to play at a classification higher than the class assigned by enrollment numbers. Schools that wish to move up to a higher classification must submit a Request to Move Up in Classification form to the GHSA Office by Monday, December 5, 2011. In the Muscogee County School District, high schools will be classified as follows for the next two school years.

<u>Classification</u>	<u>High School</u>
A A	Jordan High School Kendrick High School Spencer High School
A A A	Carver High School
A A A A	Columbus High School Shaw High School

“We have a limited time to inform the GHSA of any teams playing up in classification,” said Dr. Gary Gibson, Director of System-Wide Athletics for Muscogee County School District. “After that time period the committee will set regions. Following the meeting to set regions, we have five days to request any lateral moves from one region to another in the same classification.”
