MEDIA RELEASE

Celebrating PIE Week: February 6-10, 2012

(Columbus, GA)- The Muscogee County School District is proud to celebrate Partners in Education (PIE) Week.

“We commend area businesses and the Greater Columbus Georgia Chamber of Commerce for its continued support and dedication to our children and schools,” said the Superintendent, Dr. Susan Andrews.

PIE week is dedicated to schools and community partners to honor and celebrate one another. Schools throughout the district extend thanks and appreciation to community partners through special projects or activities. Community businesses and organizations also highlight partnerships. Some of the week long activities may include the following activities:

- Publicize Partnership
- Invite Partner(s) for Lunch
- Job Shadowing - Show and Tell
- Renew and Refresh (Rededication with partnership ceremony)
- Partner Pen-Pals

The principal of Marshall Middle School, Dr. Michael Forte says, “Our students and staff appreciate all the partners. Business and community organizations have purchased porcelain tile for our front office, a marquee sign for the school, provided mentors for children, breakfast for teachers, pizza parties for honor students, movie passes as an Adequate Yearly Progress (AYP) incentive and much more.”

For more information on PIE events and activities, contact a school or communications@muscogee.k12.ga.us .
