

## **Muscogee County School District**

### **Pre-K Program**

*"Excellence in Education Starts Early"*

Applications for the Muscogee County School District Pre-K Program will be accepted during the month of March.

Applications will be available at all elementary Schools or the Muscogee County Public Education Center.

If your child is assigned to the Muscogee County School District Pre-K Program, you must provide the following information on school verification day:

-  Verification of child's date of birth
-  Child's social security card
-  Proof of address of parent or legal Guardian

Acceptance into the program is based on available funding and space. Priority will be given to students living in the school attendance zone and to applications submitted during the month of March.
