MCSD Earns ASBO Certificate for Excellent Financial Reporting

(Columbus, GA)-The Muscogee County School District earns the Association of School Business Officials International's (ASBO) Certificate of Excellence (COE) in Financial Reporting for excellence in the preparation and issuance of the fiscal year end 2013 Comprehensive Annual Financial Report (CAFR). The honor was designed by ASBO International to encourage and recognize excellence in the preparation and issuance of the school system's CAFR. The award, the highest recognition for a school district financial operation offered by ASBO, is only conferred to school systems that have met or exceeded the standards of the program. It also demonstrates the district's commitment to financial accountability and transparency.

This is the 21st year Muscogee County School District has received the distinguished COE award from Association of School Business Officials International for our CAFR.
