Join us *live* on-line **May 22 - 24, 2014**, for the 2nd Annual Be There: WTVM Live Streaming of MCSD Graduation Ceremonies! District administrators anticipate approximately 1900 seniors will participate in the 2014 graduation ceremonies. Students are issued a limited number of tickets to disburse to their family members and supporters to attend a graduation. The number in attendance varies for each ceremony, but access to view any of the ceremonies is as close as any of your nearest Internet accessible devices.

“The ability to view the live streaming of all the graduation ceremonies is a great opportunity for military family members who are deployed, other supporters that cannot afford to travel to Columbus, or anyone who may have a schedule conflict,” said Director of Secondary Education
