## **MEDIA RELEASE**

### **CTAE/CTSO Students Earn Top Spots and Advance to National Competitions**

**(Columbus, GA)**- The Muscogee County School District celebrates student achievement in career, technical, and agricultural education (CTAE) for the 2013 – 2014 school year as students advance to national competitions. Career and Technical Student Organizations (CTSO) are vital part of CTAE. CTSO prepares students to become college and career ready members of society who hold productive leadership roles in their communities, provide motivation, leadership training, and career development opportunities for students enrolled in CTAE programs in middle and high schools. Students also learn how to enhance occupation, employment, and leadership skills through various activities such as conferences, award programs, service projects, and competitive events at the local, state and national levels.

The Muscogee County School District participates in several CTAE/CTSO programs.

DECA – Marketing

FBLA – Future Business Leaders of America

FCCLA – Family, Career and Community Leaders of America
