MEDIA RELEASE

MCSDB Board of Education Earns 2014 GSBA Distinguished School Board Status

(Columbus, GA)—The Muscogee County School District (MCSDB) Board of Education is recognized for its status, 2014 Georgia School Board Association (GSBA) Distinguished Board, one of only 52 out of 180 school boards in Georgia to exceed and achieve the honor. Distinguished Board status is the second highest level of recognition. The highest is exemplary.

The recognition was highlighted at the Georgia Schools Superintendent's Association Conference in Atlanta earlier this month. GSBA Distinguished Board program is designed to showcase best practices in school governance and leadership, recognizes good school board governance to foster educational community cultures in order to advance student learning and achievement.

The GSBA Governance Team Recognition Program was developed by Georgia superintendents and board members based on the state board of education's standards for effective governance to recognize exemplary leadership. In 1998, the Georgia School Boards Association was one of the first school board associations in the nation to develop a program of standards for local boards of education. The GSBA Board recognition program is a three-year, three tiered program beginning with the Quality Board status.
