2015 GRADUATION RULES

While we celebrate the joyous occasion of commencement ceremonies on behalf of thousands of Muscogee County School District graduates, it is important to remember the following rules.

-Supporters are asked to clap only after each row has been called (named) to allow for families and guests to hear the name of each student. Those who do not comply will be escorted out.

-Pictures may be taken from an individual's seat without interfering with others viewing the ceremony.

-No one is allowed on the floor where graduates are seated.

-No noisemaker devices, balloons, flowers are allowed inside the center or any item that would distract from the ceremony.

-Gifts and/or exchange of items to graduates should be handled outside the center following the graduation ceremony, but not in the hallways as the hallways need to be cleared for other guests and graduates to enter for the next graduation.

Time Schedule

Each school has a scheduled time to line up, walk-in, and out of the facility. Attendees and participants are respectfully asked to adhere to the rules while celebrating.

Out of respect for graduates and organizers, all parents, family, and guests are asked to follow the rules outlined by each school.
