### **Rothschild Leadership Academy Earns Program of Excellence Award**

**(Columbus, GA)**-The Rothschild Leadership Academy Engineering & Technology program earns the 2015 Program of Excellence Award, one of the highest honors awarded for technology and engineering education classroom teachers on the elementary, middle and high school levels. Mbonya Myers, the classroom teacher who leads Rothschild Leadership Academy's Engineering & Technology program, is a 2012 Muscogee County School District Top Ten Teacher of the Year and 2013 Harvard Fellow. Myers also serves as President-Elect of the Georgia Association of Engineering & Technology Educators. The award was presented at the International Technology and Engineering Educators Association's conference in March in recognition of outstanding contributions to the profession.

The competition is sponsored by the International Technology and Engineering Educators Association (ITEEA) and the National Association of Secondary School Principals. Candidates for the Program of Excellence Award must provide technology and engineering education instruction of high quality, relevant study of technological literacy and be student-centered.
