## MEDIA RELEASE

### Road Closure Forces Rerouting Notice for Spencer Buses and Drivers

**(Columbus, GA)**—The Muscogee County School District is issuing an important safety and rerouting notice for bus drivers, parents, students and employees of Spencer High School. A section of Santa Fe Road has washed out and is closed until further notice. The storm drain/curb has fallen. Dirt underneath the Santa Fe roadway has collapsed and drainage pipes are covered.

Fourteen (14) school bus drivers travel Santa Fe Road to transport Spencer High School students to and from the school. Bus drivers have been informed to reroute and enter through the front driveway entrance of the school to pick-up and drop-off students. Parents and students can expect delays (bus riders and car riders) for drop-off and pick-up times. Spencer High School parents, students and employees will be updated once the road is reopened.
