

**Parents and Stakeholders
Join Us to Review and Revise the
Comprehensive LEA Improvement Plan (CLIP)**

What is the Comprehensive LEA Improvement Plan?

Much like travelers who use a map to reach their destination, CLIP provides a clear direction for its public school system. The plan was created by stakeholders, parents, schools, community, central office and the school board. It includes annual measurable goals, specific strategies and frequent evaluations. It reflects a strategic use of resources in order to provide the best educational opportunities for all students in Muscogee County School District.

Your INPUT is needed!
