## **MEDIA RELEASE**

### **Mission, Vision, and Values Survey**

**(Columbus, GA)**-The Muscogee County School District is in the process of developing a new *Mission, Vision, and Values* statement. Representatives of the district's stakeholders have worked to develop a proposed mission (Why do we exist?), vision (What do we aspire to become?), and values (How should we behave?). The proposed statements that have been developed would guide the work and decisions of our district. Input and results from the survey will be shared with the Board of Education to help make decisions on this important topic.

Access or copy and paste the following survey link into your browser to participate:
